SUBJECT: Voluntary EOC Assessment(s) Administration

Districts were notified, through the November 1, 2010, Assessments Update Memo, that the voluntary EOC assessments (English I, Algebra II, Geometry, and U.S. History) are offered online only beginning with the Spring 2011 administration. The Department has had a number of the voluntary assessments precoded as paper/pencil administration. The precode information is being used to pre-populate the online testing system. Please make sure you code appropriately.

For questions related to assessment administration contact the Assessment Section at (573) 751-3545.

For questions related to assessment data contact the Accountability Data Section at (573) 526-4886.
