

MOSIS June Course Completion Collection

FROM: Office of Data System Management

TO: Core Data, MOSIS Contacts

DATE: May 18, 2011

SUBJECT: MOSIS June Course Completion Collection

The June Course Completion Collection is not available in MOSIS at this time, we expect to make it available again next Friday, May 27th. As we noted yesterday in our June Cycle note, the Course Completion Collection was not allowing the additional field of Course Time Unit to be uploaded, as well as the new code of NC for No Credit. Thanks for your patience.
