SUBJECT: MOSIS End of Course Fall Pre-Code

The End of Course Pre-Code for the first fall test window became available on August 19, 2011 in the MOSIS Data Collection Component. This collects information to pre-populate the online testing system for students being tested between October 11, 2011 and November 11, 2011. This submission is due on Friday, September 23, 2011. More information can be found at <http://www.dese.mo.gov/MOSIS/precode.html>.
