SUBJECT: MOSIS Business Rule CRS02114

This past Monday a new rule was added to the 2012 October Course Assignment file regarding the reporting of Advanced Placement courses. When a course is reported with a course delivery system of AP, rule CRS02114 checks to ensure the course is on the list of Advanced Placement courses. You can find a list of the appropriate course codes on our website at <http://dese.mo.gov/MOSIS/documents/APCourses.pdf>
