SUBJECT: Informative Information on Race to the Top Webinars

Earlier this week, a DESE Mailbag was sent out with details of webinars that have been scheduled for the Race to the Top Initiatives, below is the information from the Mailbag:

**\*December 7 and December 8: RT3 Webinar Series\***

Educators and citizens across the state are invited to learn more about Missouri's Race to the Top initiative and to provide additional feedback on key issues by participating in a series of online Webinars during the coming weeks. Initial sessions have been scheduled for December 7 and 8. Preregistration is required to view the Webinars. You may register at this link: <http://www.center-school.org/mosis/>. The Webinars (60 minutes maximum per session) are organized around the four key topics that are required elements in the state's RT3 application. The sessions will be conducted by RT3 team leaders from the Department of Elementary and Secondary Education and veteran Missouri educators who are serving as co-chairs for each of the four subcommittees. Each of the four key topics will be presented on December 7th and then repeated on December 8th.
