**(over)**

The FCCLA Fall (Access) Leadership Conference consists of three separate student conferences and advisor training held at the same location. Students choose ONE conference to attend for the duration of the conference; advisors may attend the advisor training and sit in on the different conferences as needed. This is a cost-effective conference that provides a more intense and personal experience with FCCLA concepts and with state and regional leaders. Many advisors comment that the conference is a good value for the time and money spent.

## **WHO SHOULD ATTEND THE TAKE AIM CONFERENCE?**

Any new FCCLA member is encouraged to attend the Take AIM (Active & Involved Members) conference. Members will learn how to use the FCCLA programs and activities to their full potential. Each will complete the Step 1 activity and develop plans for their first Power of One project. Separate sessions will be held for middle school and high school members.

## **WHO SHOULD ATTEND THE LEADERSHIP UNLIMITED CONFERENCE?**

All officers (local and regional) are encouraged to attend to focus on the development of leadership skills specifically related to FCCLA. Sessions will focus on leadership concepts such as public speaking, team building, communication and conflict resolution, and personal qualities of effective leaders. Regional presidents are expected to attend as stated in the state bylaws.

## **WHO SHOULD ATTEND THE CHAPTERS IN ACTION CONFERENCE?**

All chapters are encouraged to send teams of 2-3 members to learn about three national FCCLA programs – Financial Fitness, Families First, and Student Body. Chapter teams will hear speakers related to each topic; learn how to implement projects using FCCLA and other resources; and each chapter will develop and leave with a plan of action for all three national programs.

## **WHAT ABOUT ADVISORS?**

Specific training for advisors will take place during the conference and will cover the following topics: FCCLA updates; chapter management; STAR Events project ideas and management; and classroom resources. Time is built into the agenda for regional networking. The advisor training session is FREE.
