

FISCAL YEAR 2011 FAMILY-FOCUSED  
FAMILY AND CONSUMER SCIENCES EDUCATION EQUIPMENT GRANTS  
July 1, 2010–June 30, 2011

Grant funds are available for improving Family and Consumer Sciences Education programs through the purchase of equipment. Funds may be used to provide updated instructional equipment that supports the Family and Consumer Sciences Education curriculum. **Each item of equipment must have a minimum unit cost of \$200 or more.** A local match of 50% is required. The maximum amount of funds a district may request is \$10,000 (\$5,000 state funds + \$5,000 district funds).

***Only family-focused, Department-approved Career Family and Consumer Sciences Education programs, grades 9-12, are eligible to apply.*** Priority will be given to applications by the date submitted and to programs consistently maintaining all the components of an approved program as outlined in the ***Implementation Handbook for Family and Consumer Sciences, 2003*** ([http://dese.mo.gov/divcareered/facs\\_implementation\\_handbook.htm](http://dese.mo.gov/divcareered/facs_implementation_handbook.htm)).

Funds may be used to purchase equipment items such as instructional technology equipment (computers, printers, interactive whiteboards, computer projection equipment, digital media devices, etc.), child development lab equipment, lockable storage units and large appliances (refrigerators, ranges, washers, dryers and microwaves). Items that will not be approved for funding include, but are not limited to, service contracts, office furniture, fax or copying machines, white boards, sewing or embroidery machines and facility improvements or repairs (kitchen cabinets, carpet, air conditioning, etc.).

A completed cover page (see attachment) and two (2) signed originals of the “**Application for Authorization of Career Education Expenditures**” form (FV-4) must be submitted **on or before April 30, 2010**. The amount requested on the FV-4 should reflect the total of the state and district contributions. **Both forms must have the original signature of the appropriate school district official.**

To receive reimbursement for equipment purchases, submit two (2) signed **originals** of the “**Reimbursement Request for Approved Career Education Expenditures**” form (FV-2) accompanied by appropriate invoices. Invoices including **model** and **serial numbers** must be submitted for equipment purchases costing \$1,000 or more per unit. These are to be submitted no later than **January 31, 2011**. **Faxes will NOT be accepted.** Funds not expended and submitted for payment by the January 31 deadline may be redistributed. Application and reimbursement forms are available through the Division’s Web site at [http://dese.mo.gov/divcareered/FCS\\_forms.htm](http://dese.mo.gov/divcareered/FCS_forms.htm).

**Deliver:** Two (2) complete originals (**faxed copies will not be accepted**) of the signed FV-4 to:

Cynthia K. Arendt, Ph.D., Director  
Family Consumer Sciences and Human Services  
Division of Career Education  
Department of Elementary and Secondary Education  
P.O. Box 480  
Jefferson City, Missouri 65102-0480  
Telephone (573) 751-2644
