University of Missouri-Columbia  
College of Agriculture, Food and Natural Resources**

**and**

**Missouri FFA Association**

**Missouri Agricultural Education Series  
Volume 34, Number 1, January 2006**

## ACKNOWLEDGMENTS

This Career Development Events Handbook represents a comprehensive revision of the rules and guidelines for the State Agriculture/FFA Leadership Career Development Events for the years 2006-2010. Special recognition is due to the 2004-2005 MVATA (Missouri Vocational Agriculture Teacher Association) FFA Relations - Contest Advisory Committee who provided many useful recommendations and suggestions to improve the Career Development Events. Sincere appreciation is also expressed to the superintendents for their suggestions and for the time and effort expended to plan, organize, and conduct Career Development Events activities in a professional manner.

Formatting updates to the Handbook were made throughout 2008 and finalized in December, 2008. These changes reflect efforts to make the Handbook easier to use and provide for annual updates approved by the FFA Relations – CDE Committee during the 2008 MVATA Summer Conference. Special thanks to Misty Lambert and Sandy Kaiser for their efforts in this updating process.

Steven Rogers, Supervisor  
Agricultural Education  
Missouri Department of Elementary  
& Secondary Education

Josh Toops, FFA Relations Chair  
Stoutland High School  
Stoutland, Missouri

## FOREWORD

The State Agriculture/FFA Leadership Career Development Events are planned and conducted to motivate students to learn more about the industry of agriculture. Each state event is designed to assess student knowledge and skills in a particular subject area and to recognize students who demonstrate superior achievement.

Each of the state Career Development Events is intended to reflect a portion of the curricula that is taught in secondary agriculture courses throughout the state. Therefore, Career Development Events may be used as a motivational approach to encourage student learning.

This Career Development Events Handbook has been produced to assist teachers in preparing students to participate in the State Agriculture/FFA Leadership Career Development Events. Please review the guidelines and materials carefully.

John Tummons, State CDE Coordinator  
Department of Agricultural Education  
University of Missouri-Columbia
