

Missouri Association of DECA Board of Directors Election Procedures

Rationale

The Board of Directors establishes policy for the Missouri Association. This Board, in consultation with the State Advisor, will oversee the operations of the Association.

A Board of Directors provides for continuity of Association policies and operations. The shared decision making process of the Board insures that varied points of view are represented when policies are established or reviewed. The Board of Directors provides a leadership development opportunity for chapter advisors, with opportunities for continuing service on committees and in leadership roles at the national level. Since the Missouri Association of DECA is a not-for-profit corporation chartered in Missouri, the Board of Directors provides for the organizational needs as established in the charter. The Board of Directors should also play a role in developing teacher and corporate support for the Missouri Association.

Board Membership

The Board will consist of six members. Each member must be a chapter advisor, with at least three years of experience as a chapter advisor prior to assuming office.

Each Board member will represent a geographic area of the state, comprised of a pair of DECA districts. The pairings are as follows:

<u>Districts</u>	<u>Term Expires</u>
1 & 3	2012
2 & 5	2013
6 & 7	2014
8 & 9	2012
4 & 10	2013
11 & 12	2014

The term of office will be three years, beginning with the spring meeting. Board membership will be on a rotating basis, with two members elected each year.

The State Advisor will serve as an ex-officio, non-voting member of the Board.

Board members may be re-elected upon completion of their term of office.

If an elected Board member is unable to fulfill his/her term of office, the Board president shall appoint a replacement from the geographic region to serve until the next annual election.

Election Procedures

Board members will be elected from those nominated from each geographic area. Nomination forms may be submitted by the candidate or by others on the candidate's behalf. However, the nomination form must be signed by the candidate. Ballots containing the names of all candidates nominated within a geographic area will be mailed to each chapter advisor in the geographic area. A vote may be cast for one of the candidates.

Election will be by plurality vote. The candidate with the highest vote total will be elected to the Board. The election procedure will be handled by the Board Secretary.

In case of a tie vote, chapter advisors in the geographic area will re-vote for those candidates with tied vote totals.

The time line for conducting the Board of Directors selection is as follows:

March 1	Nomination forms mailed to chapter advisors
April 1	Nomination forms due
April 15	Ballots mailed to chapter advisors
May 1	Ballots due
May 15	New Board members announced
