I have read and understand the policies and qualifications for the MoEFACS scholarship. I understand that the scholarship money will be paid over two semesters with one half of the total scholarship amount to be paid each semester. I understand that if at any time I withdraw from college, change majors from the field of Family Consumer Sciences and Human Services Education, or transfer to a college or university out of Missouri that the scholarship becomes a loan payable to MoEFACS within six months of the change. I also understand that in order to receive the second installment of the scholarship, I must submit a report by the end of first semester verifying the degree intention remains the same. A transcript will be submitted to show a 3.00 grade point average was maintained. These items are to be sent to the address below.
