

## 2012-2013 State Officer Candidates

This is one of the most exciting and enjoyable activities of the entire conference experience! Each year our state officer candidates raise the standards and expectations of what a good leader and TSA officer should be.

This year is no exception, each candidate will present their ideals and vision for the future of Missouri TSA. The challenge for each Missouri TSA member is to study the candidates and vote for the candidate that best represents your chapter, our state delegation, and all of National TSA.
