I do not like to swim that
much.

5. Pretend you live in the Amazon rain forest during the high-water season. Write a letter to a friend describing how you live. Use THREE details from the story in your description.

Jo-anna & Amanda

Dear Mrs. Hankins

The Amazon is fun! I like living in a floating house on top of the water. The cattle next door is on a floating raft. The cattle makes a lot of noise. The chickens get brought up on the deck. I wish you were here to see and hear what all is going on. There sure is a lot of water!

Sincerely
Mikaila

5. Pretend you live in the Amazon rain forest during the high-water season. Write a letter to a friend describing how you live. Use THREE details from the story in your description.

Dear Jarton,

In the Amazon I
have to float. I have to
live in a floating house.
I have to put my animals
in a raft.

Your friend
Kendall

5. Pretend you live in the Amazon rain forest during the high-water season. Write a letter to a friend describing how you live. Use THREE details from the story in your description.

april 11, 2003

Dear Eva,

The rain forest is a home to many people and animals. They depend on the trees and the river for food, water, and shelter. During the low water season children can walk to school.

Love
Olive

6. Do the people of the Amazon use good ways to solve the problems of living during the high-water season?

Circle one: YES NO

Explain your answer using TWO details from the story.
