Effectiveness:

Give a brief description of evidence you have that demonstrates effectiveness of your program/services. (This will be shared with parents).

One-on-one and small group instruction as provided by the Be Smart Program is a highly effective way for students to learn and grow in all academic areas. (Adams,1990;Dowhower,1987;Samuels,1979). Be Smart uses a research proven method including a well defined curriculum and ongoing assessments to gauge student progress. It is our goal to assist students to achieve success as quickly as possible.
