Effectiveness:

Provide a 3-5 sentence description of your program's effectiveness that will assist parents in their search for a provider.

ATS Project Success offers math and reading support services online in the comfort and safety of the student's home by supplying each student with a computer, the SuccessMaker web-based program, and Internet service. Our program is flexible, enabling families to choose a tutoring schedule that meets their needs. The tutor works with the student individually using e-mail, traditional mail, and the telephone.
