Effectiveness:

Provide a 3-5 sentence description of your program's effectiveness that will assist parents in their search for a provider.

Cool Kids Learn is an important non-profit educational program with extensive experience tutoring and providing after-school programs across 5 states. We help provide children with the academic skills and the love of learning they need to succeed in school and in life. Part of our success is adjusting the program to each student's individual learning style. And because kids are experts on what interests them, student-driven project learning is key to our program. In the latest data collected, 95% of students improved their performance with gains of up to 40%.
