Missouri Kids *Helping* Missouri Kids

Our school and other schools across the state are participating in a relief partnership with the Missouri Department of Elementary and Secondary Education.

Through Kids 4 Kids, we want to provide an opportunity for our students to participate in a statewide effort that will help Joplin children suffering in the aftermath of the May 22 tornado.

If every public school student in Missouri donates just \$1, we could collectively raise nearly \$1 million in aid.

***“Imagine losing everything you have. Everything. Thousands of children in Joplin have lost their homes and all of their possessions. Your donation will buy clothes, shoes, blankets, pillows...maybe even a book. Please help.”***
