

H. TRADITIONALLY UNDERSERVED GROUPS (CFR 303.128)

The State ensures that traditionally underserved groups, including minority, low income and rural families are meaningfully involved in the planning and implementation of all requirements of Part C. This is achieved through participation on the SICC and local interagency coordinating councils as well as through the delivery of services.

The State also ensures that these families have access to culturally competent services within their local geographical areas. This is achieved through provider recruitment and training.
