

Beginning September 1, 2009, providers who have successfully completed a DESE-sponsored training will be enrolled as "EI Examiners." The System Point of Entry (SPOE) is responsible for identification of the necessary number of providers to assist with the initial evaluation for eligibility in the SPOE region. The SPOE will contact providers, as needed, and invite these providers to attend a DESE-sponsored training provided by the Area Directors. When selected to administer the DAYC, the EI Examiner will receive a one (1) time authorization for a flat rate of \$200 to administer the DAYC, write a report using the DAYC Evaluation Summary, and submit the report to the SPOE. With the implementation of the EI Examiner authorization, it is expected that each DAYC Evaluation Summary will include a rich, detailed description of the child and family routines gathered during the testing session. After the provider sends the report to the SPOE, it is the responsibility of the SPOE to determine eligibility and inform the family of the determination. The following is a list of EI Examiners as of 1/31/12:

Agency	Provider Last Name	Provider First Name	Discipline	Email address	Phone number
ABC'nD Autism Center	Stump	Keenan	SLP/ABA provider	kcstump@gmail.com	816-931-8300
