

Benefits Planning

Earning more money can impact your Social Security or Medicaid Benefits. The resources below are available to help you determine what can happen to your benefits if you change jobs.

Disability Benefits 101

<https://mo.db101.org/>

Disability Benefits 101 can help you learn what will happen to your income, benefits and health coverage if you change jobs. Individuals will need bank statements and information on Social Security or state benefits to complete the calculations through the Benefits and Work Calculator.

Paraquad Show Me Employment Project (WIPA)

Phone: 314-289-4200

<https://www.paraquad.org/programs-and-services/employment-services/wipa/>

The Show Me Employment Project can help Social Security disability beneficiaries who are working or who want to work. Information, such as work incentives, benefits, and services is available to assist beneficiaries reach their employment goals. Service areas can be identified through the website.

Missouri Protection and Advocacy WIPA Services

Phone: 573-659-0678

<https://www.moadvocacy.org/WIPA.htm>

Work Incentives Planning and Assistance (WIPA) is a federally-funded program that provides information to beneficiaries of Social Security about how working affects benefits. Service areas can be identified through the website.
