

2024 Verification Standard Sample List

- LEAs on this list are required to complete the standard sample method for verification because they had a 20% or more non-response rate in the previous year.
- Unless otherwise exempt (district-wide CEP, RCCI without day students, etc.), LEAs not on this list are still required to complete verification, but can complete an alternate method (Alternate 1 or Alternate 2) or can complete the standard method.
- In addition to LEAs on this list, any newly enrolled LEAs are also required to complete the standard sample method for verification.
- If you believe your LEA is on this list in error, please check your 2023-24 verification report in Web Applications to make sure it is completed correctly.
