

March 27, 2015

FROM: Matthew Essner, Director – Food Distribution, DESE – Food & Nutrition Services

SUBJECT: April 2015 Order Adjustment Explanation

From time-to-time there are circumstances beyond the power of DESE – FNS to control regarding some of the USDA Food items which were put on the Monthly Open Order. Each month the Open Order is created based on USDA reports which show the status of trucks being purchased by USDA to be shipped into the contracted warehouse. Below are explanations for a few items delivering to Missouri Local Education Agencies (LEAs) in April 2015 which are not being shipped in the typical Open Order method.

*Please note* the new format. Each LEA has **ONE** individual page summarizing all of their USDA Foods, both those ordered via the Monthly Open Order and the Annual USDA Foods Packet. *This list does not contain any processed finished products.* To find your LEA's info, simply press **Ctrl+F** and type your Agreement Number (with hyphen) into the **Find** box and Adobe will search the document and take you to your page. To only print your info and not the entire document, once on your page, select the **Print icon** and under **Pages to Print**, click the toggle button **Current Page**.

1. **Non-Processed Items via USDA Foods Packet for SY 14-15:** Items highlighted **blue** are USDA Foods which LEAs elected to receive via the USDA Foods Packet for SY 14-15 which was due to DESE on February 28, 2014. Each LEA's full list of Non-Processed USDA Foods for SY 14-15 via the Packet can be found [here](#). If an LEA needs to make an adjustment to any of the Non-Processed USDA Foods amounts elected for future deliveries, please contact Matthew Essner (573-522-1974 or [Matthew.Essner@dese.mo.gov](mailto:Matthew.Essner@dese.mo.gov)). The Original Request amount will be blank b/c they are calculated on separate sheets.
2. **F-100098 – 8 pc Chicken, F-100125 – Turkey Roasts, F-100184 – Ham, and F-100188 – Diced Ham:** These items were offered to LEAs on a limited basis to deplete SY14-15 inventory. There were limited amounts of each of these items remaining in inventory after all Packet quantities had been filled for the school year. If these items were also ordered via the USDA Foods Packet, then Open Order quantities were added to the already planned USDA Foods Packet amounts.
3. **F-100098 – 8 pc Chicken, F-100117 – Chicken Fajita, F-100125 – Turkey Roasts, F-100158 – Ground Beef, F-100173 – Pork Roasts, F-100184 – Ham, and F-100188 – Diced Ham:** These items were offered to LEAs who had chicken cancellations (either F-110080 – Oven Roasted Chicken or D-100887 – Canned Chicken) to make-up cancelled value. Make-up quantities were added to USDA Food Packet quantities (if previously requested) and Open Order Quantities (for the items offered as mentioned above).
4. **F-100121 – Deli Turkey, F-100122 – Smoked Turkey:** A few schools will receive F-100121 Deli Turkey instead of their anticipated F-100122 Smoked Turkey requested via the SY14-15 USDA Foods Packet due to inventory availability.
5. **D-100307 – Green Beans:** As mentioned on the March Adjustments, DESE – FNS anticipated 4 trucks to be received and shipped in March; however 2 trucks were delayed. The decision was made to ship the 2 trucks received in March and the remaining quantities would be shipped in April. The list below is the original requested amount submitted in February for March distribution (which in total was filled at 65.21%) and the April amount which will be shipped. If the total adjusted amount to be received was already received in March, then the April amount will be blank (0).

If you have any questions, please contact the DESE – SFS office at 573-751-2646 or [donatedfoods@dese.mo.gov](mailto:donatedfoods@dese.mo.gov).
