Internet Permission Form

Missouri FCCLA maintains an Internet presence offering pertinent information to schools, FCCLA advisers, students, and the general public. Information about the State Officers would be useful as a means of contact. We would like to include each officer's name, and school contact information. There may be times that we include pictures of officers on the website, blog, or in video. In order for Missouri FCCLA to accomplish this, permission from parents is needed for students under the age of 18. If the student is 18, he/she may sign the form.

Thank you for your consideration and prompt attention to this matter.

I hereby authorize Missouri FCCLA to display _____ 's,
(Student name)
picture/video, and school contact information on the Missouri FCCLA website, blog or in other public relations materials.
