If you have high schools in your portfolio, this is a very important announcement regarding APR data. Please make sure that your high schools are aware of the two week limit for clean-up and appeals. Thanks. Curt

The MSIP 5 CCR Measures (ACT, AP, PLTW, and SAT) are available for all years in the MCDS Portal. To access the reports, go to <http://mcds.dese.mo.gov/Pages/default.aspx>. Click on Secured Content at the top right of the page, log in and choose Guided Inquiry, Accountability, and MSIP5 Annual Performance Report (APR). To be able to view the student level data, the user needs to have APR Student Level permissions. To provide these permissions, the district User Manager will need to enter in the security pin code, and the category is listed under Missouri Comprehensive Data System (MCDS) - MSIP_APR_Student_Access.

2014 CCR ID Clean-Up - The Department has obtained the assessment results for ACT, AP, PLTW, and SAT from the testing companies. Once the Department received the data from the testing companies, the student records are swooped against the MOSIS ID system to obtain the MOSIS ID for each student. The Department has obtained over 90% of the IDS for all the assessment records. To help with the ID cleanup for the assessment records, the Department has created a trial for every district in the state containing the student records that do NOT have a MOSIS ID. This process is the same process used with the MAP records (i.e. last two weeks in June). The trial will be available in MOSIS Data Collection on Monday, July 21, 2014. Appeals may be necessary upon completion of the CCR ID Clean-up.

Appeals for the College and Career Readiness (CCR) measures, with appropriate supporting documentation, may be submitted using the form at this link: <http://dese.mo.gov/forms/MO5002947.pdf>.

The deadline for receipt of CCR appeals is August 1, 2014 by 5:00 pm, to be included in the Preliminary Annual Performance Report to be published on August 4, 2014. Final appeals are due by August 15, 2014 by 5:00 pm.

For additional information regarding the appeal process and forms go to: <http://dese.mo.gov/quality-schools/accountability-data/appeals-procedure>.
