SCHOOL COMMITMENT
 The administrators, staff, teachers and interested community of this school have made the decision to start and support the A+ Schools Program, therefore, we agree to:

- 1) Specify the knowledge, skills and competencies that students must demonstrate to successfully complete any individual course offered by the school, and any course of studies which will qualify a student for graduation;
- 2) Require rigorous coursework and eliminate all general track courses;
- 3) Administer a comprehensive school counseling plan;
- 4) Include in the district and building level improvement plans the following: All students graduate from high school; complete a selection of high school studies that is rigorous; proceed from high school graduation to a college, postsecondary career/technical school or high-wage job with the skills necessary to succeed.
- 5) Establish procedures to identify students who are at risk of dropping out of school and intervention services to be used to meet the needs of such students.

STUDENT REQUIREMENTS
 The administrators, staff and teachers will require students to meet the following requirements in order to become eligible for A+ funding and to attend a public community college or career-technical school following graduation:

- 1) Be a U.S. citizen or permanent resident;
- 2) Enter into a written agreement with your high school prior to graduation;
- 3) Attend a designated A+ high school for 3 years immediately prior to graduation;
- 4) Graduate with an overall grade point average 2.5 or higher on a 4.0 scale;
- 5) Have at least a 95% attendance record overall for grades 9-12;
- 6) Perform at least 50 hours of unpaid tutoring or mentoring, of which up to 25% may include job shadowing prior to graduation;
- 7) Maintain a record of good citizenship and avoid the unlawful use of drugs and/or alcohol while in the grades 9-12;
- 8) Have achieved a score of proficient or advanced on the Algebra I end of course exam or higher level DESE approved end of course exam in the field of mathematics.
