True, active assessment will take place during the development of the Personal Educational Plan. The development of the Personal Plan of Study (Four Year Plan) will take place after both lessons are presented. It is advised that the counselor meet with each student individually to develop and/or finalize each student's Personal Educational Plan.

Brief Summary of Unit:

In this unit, students will explore the similarities and differences between middle and high school and they will be introduced to a variety of high school concepts such as: academic credits, the differences between core and elective credits, the number of credits needed for promotion, extracurricular offerings, and the meaning of grade point average and how it correlates with credits and participation in extracurricular activities.

Unit Goals:

The student will identify the information and skills necessary for the transition to high school.

What prior knowledge do students need (e.g. the steps to solving a problem) to be successful in this unit?

Students will need to know the elements of planning for future (e.g. goal-setting), how to complete the selected graphic organizer, the local organizational structure of middle school and high school (e.g. block scheduling). They will need to have heard information about high school from other sources.
