Brief Summary of Unit: Students will identify personal strengths and interests through use of an interest inventory. They will evaluate the relationship between their preconceived ideas about work with information from a research project. They will also categorize the career with the appropriate career path.

When presented with a product, students will brainstorm the occupations that contribute to the production of that product, classifying the various careers according to the Career Paths.

Unit Goals: Students will complete an interest inventory; use the information from the inventory to investigate careers using written or computerized resources; create and present a career project incorporating personal interests; categorize an occupation based on the Career Paths model.

Students will investigate and/or brainstorm various careers/products to recognize the relevance of all workers and that they coexist in a global society.

Students' Prior Knowledge:

Student success in any learning endeavor is dependent upon prior knowledge. The Missouri Comprehensive Guidance Program Curriculum builds on each student's prior knowledge and understanding in academic content as well as Comprehensive Guidance content. Helping students develop a common vocabulary and common conceptual understandings rests upon the Professional School Counselor.

For the Career Development Strand the common vocabulary for seventh graders includes:

Work	Job Responsibilities of Workers	College, University
Career	Interests	Strength,
Limitation		
Career Paths	Post-secondary Options	Ethics
Resume	Portfolio	Interview

For CD 7 the common conceptual understanding includes: the integration of self knowledge into life and career plans, adapting to changes in the world economy and work, respect for all work (and workers)

For CD 8 the common conceptual understanding includes: the career decision-making processes and the education and training requirements of careers.

At the seventh grade level, students are expected to have prior knowledge of:

The Concept and Titles of the Career Paths	Basic Goal-Setting and Planning
Skills	
The Importance of All Work	The Value of All Workers
Basic Interviewing Skills	Their Personal Characteristics
