Brief Summary of Unit:

Students will show that they can work together with others to reach a common goal through their actions and in a written essay. Students will brainstorm the personal and ethical skills necessary to work with diverse groups of people; they will work together in a diverse group to accomplish a goal and, individually, will reflect on their experiences through a written essay. Students will draw upon the knowledge they gained in the third grade when they compared the skills needed at school with those needed by workers. Fourth grade learning in this Unit will prepare students for the fifth grade experience: applying personal, ethical and work habit skills.

Unit Goals:

Students will show, through actions and writing, that they possess the personal and ethical

skills needed to work with diverse groups of people.

Student Prior Knowledge: What prior knowledge do students need (e.g. the steps to solving a problem) to be successful in this unit?

Students need to know how to work in small groups cooperatively and skills needed for success in school and groups.
