Lesson Assessment (acceptable evidence):

Assessment should relate to the performance outcome for goals, objectives and GLE’s. Assessment can be question answer, performance activity, etc.

Students will demonstrate their ability to identify interview skills that lead to success in the job-seeking process by participating in/observing an interview with an employer. During observation, students will use a checklist to validate their ability to identify the use of effective interview skills.

Lesson Preparation

Essential Questions:

- What makes the difference between who gets a job and who doesn’t?
- Would you “get the job?”

Engagement:

- Who will be interviewing for a job today?
- Who will get the job?

Procedures

Instructor’s Procedures:

(Note: be cautious about setting students who have been selected apart from those who have not been selected – Remember, one of middle schoolers’ priorities is peer-approval.)

1. After asking the “hook” questions,” and hearing student responses, ask “Is being appropriately dressed enough to get you a job or is there more to it?”

2. Outline the interviewing procedure for students: A total of six interviews will be conducted (each interviewer will interview three students). The interviews will last no more than five minutes each. As interviews are being conducted, observers will complete the Activity Sheet “Interview.

Student Involvement:

1. Students will respond to the questions. (Students will know beforehand who will be interviewed and are to come prepared to have someone interview them if told they have been chosen.)

2. Students will ask clarifying questions.
Checklist”, including the Overall Impressions section.

Specific Procedures:

3. Give each student and the interviewers copies of the Activity Sheet “Interview Checklist”. Interviewers will receive 3 Interview Checklists; students who will not be interviewed will be given six checklists and those who will be interviewed, at least three and at the most five.

4. Interviews: The students who will be interviewed by each employer will be assigned to be 1st, 2nd or 3rd

5. First Round: Employer # 1: The student to be interviewed 1st will remain in classroom; the 2nd and 3rd students to be interviewed will wait outside the classroom until they are called in for their interviews. Students who are not being interviewed will be observers.

6. Each interview will last no more than five (5) minutes. Let the employers know when the five minutes are up. Observers and interviewer will complete the first checklist and get a checklist ready for the next interview.

7. Second Round: Employer # 2: Follow the above procedures.

8. When all the interviews are completed, the employers will meet for 8-10 minutes with the three students they interviewed in a separate space (e.g. hallway, corner of classroom). The employer will give his or her interviewees general feedback about the process and students’ interviewing skills.

9. While interviewees and interviewers are meeting, observers will review their

3. Students will review the “Interview Checklist” and ask clarifying questions. They will complete the checklist during each interview they observe.

4. Students interviewing for a specific job will sit outside the classroom until they are called in for their interview. Students not interviewing will complete a checklist during each interview.

5. Students will start a new checklist each time a new interview is begun; students who have been interviewed will begin completing checklists.

6. Students will complete Interview Checklists for each interview.

7. Students will follow same procedures!

8. Students who participated as interviewees, will meet with the employer who interviewed them.

9. Students will go over their checklists to see which student demonstrated

<th>Activity</th>
</tr>
</thead>
<tbody>
<tr>
<td>10.</td>
<td>The group will be brought back together and the interviewers will give their insight into how the students did as a whole on completing job applications and interviewing.</td>
</tr>
<tr>
<td>11.</td>
<td>Students will be told who gets the job. Emphasize the importance of reflecting on the process rather than reacting to it, i.e., rather than feeling rejected if one did not get the job, reject rejection and use the information gained to “pick yourself up and start all over again”!</td>
</tr>
<tr>
<td>12.</td>
<td>Have students write a group and/or individual notes of appreciation to the employers. You may want to write a note to students who were interviewed acknowledging their courage and commitment, again – remembering that many middle schoolers aren’t keen on public recognition of success … but will treasure “private words” of acknowledgement.</td>
</tr>
<tr>
<td>13.</td>
<td>Closure: Ask students to write a brief reflective paper that incorporates the past, present and future, e.g., before this lesson, I …… During the lesson and the interviews, I …… In order to be sure I get the job I want, I will ….! Add writing to student’s Personal Plan of Study/Career Portfolio.</td>
