 - c. The applicant must provide documentation/transcripts of completion of a course in Methods of Teaching Disabled Students or a methods course appropriate to the disability area(s) of their employment.

IV. CAREER EDUCATION LICENSE TO TEACH REQUIREMENTS – CAREER CONTINUOUS:

- A. Career Continuous Career Education (CCCE) classification will be issued to an applicant upon completion and verification of the following:
 1. Four (4) years of state-approved teaching experience;
 2. The development, implementation and completion of a professional development plan of at least ninety (90) contact hours of professional development relating to the specific career education subject area for which the educator seeks certification and approved by the local district to include clearly stated goals for improvement and enrichment;
 3. Participation in a mentoring program for a minimum of two (2) years, the guidelines for which shall be established by the local district;
 - a. Mentors should complete training addressing communication skills and teaching standards. Training may be provided by local districts, professional associations, regional professional development centers, colleges/universities and/or DESE.
 4. Verification of participation in a Beginning Career Education Teacher's Assistance Program. The assistance may include retraining, internship, counseling and in-service training; and
 5. Annual participation in the district's PBTE program.
- B. The CCCE is continuous upon verification by the employing school district that the certificate holder has participated in the district's PBTE program and completed thirty (30) contact hours of professional development relating to the specific career education subject area for which the educator seeks certification each school year.
 1. Individuals possessing a CCCE who do not complete thirty (30) contact hours of professional development each school year may, within two (2) years, make up the missing hours. The individual must first meet the thirty (30) hour requirement for the current year and then count the excess hours as make-up hours;
 2. A CCCE becomes inactive if the individual does not make up the requisite hours within two (2) school years; and/or
 3. A CCCE may be reactivated by the individual by completing twenty-four (24) contact hours of professional development within six (6) months prior to or after the reactivation of the certificate. Failure of the individual to complete the twenty-four (24) contact hours within six (6) months will result in the certificate becoming inactive.
- C. The CCCE holder is exempt from the thirty (30) contact hours of professional development, if the holder has a local professional development plan in place with the school and at least two (2) of the following:
 1. Ten (10) years of state-approved teaching experience;
 2. A master's degree from an accredited college or university; and/or
 3. Certification from the National Board for Professional Teaching Standards.
