<p><b>DEPARTMENT GOAL NO. 3:</b></p> <p>Missouri will prepare, develop, and support effective educators.</p> <p><b>SUMMARY:</b></p> <p>In January 2014, the State Board of Education approved independent rules for each distinct area of certification. These rules were to go into effect in August 2017. Two significant changes to the new rules included alignment to the Missouri Teacher Standards and an increased emphasis on reading instruction. Each preparation program in the state submitted information to the Department demonstrating the alignment of university level coursework to the new certification requirements.</p> <p>The attached list of preparation programs for each higher education institution are those who have demonstrated alignment to the new requirements and are therefore approved to recommend candidates for the designated area of certification.</p> <p><b>PRESENTERS:</b></p> <p>Paul Katnik, Assistant Commissioner; Margery Tanner, Coordinator; and Sheila Hirsch, Supervisor, Educator Certification, Office of Educator Quality, will assist with the presentation and discussion of this agenda item.</p> <p><b>RECOMMENDATION:</b></p> <p>The Department recommends that the State Board of Education grant approval for the certification areas listed for each institution.</p>
