English language arts	Listening/Speaking	Grade 8	I believe it is time for more stringent standards for our students. I believe it's time for our students to be held to more rigorous learning - learning beyond simple comprehension and general understanding. Missouri students of all ages must be called upon to problem solve, analyze ideas, and construct new thoughts. If they are asked to do these things from kindergarten through twelfth grade they are more likely to be ready to face the challenges in their adult life. The Common Core Standards set the stage for that to happen. AND when these standards are adopted they will allow Missouri children to receive the same valuable education that all American students should receive. If we are to be able to say our nation has tough standards we must act together to ensure that all our students are working toward the same goals, with the same standards.	Yes	Educator	64014
