The LEA shall not disclose any of the FSMC's trade secrets or other confidential information, directly or indirectly, during or after the term of the contract. The LEA shall not photocopy or otherwise duplicate any such material without the prior written consent of the FSMC. All trade secrets and other confidential information shall remain the exclusive property of the FSMC and shall be returned to the FSMC immediately upon termination of the contract. The LEA shall not use any confusingly similar names, marks, systems, insignia, symbols, procedures, and methods. Without limiting the foregoing and except for software provided by the LEA, the LEA specifically agrees that all software associated with the operation of the food service, including without limitation, menu systems, food production systems, accounting systems, and other software, are owned by or licensed to the FSMC and not the LEA.

Furthermore, the LEA's access or use of such software shall not create any right, title interest, or copyright in such software and the LEA shall not retain such software beyond the termination of the agreement. In the event of any breach of this provision, the FSMC shall be entitled to equitable relief, including an injunction or specific performance, in addition to all other remedies otherwise available. The LEA's obligations under this section are subject to its obligations under the Missouri Open Records Act. This provision shall survive termination of the agreement.

13. Any discovery, invention, software, or programs paid for by the LEA shall be the property of the LEA to which the SA and USDA shall have unrestricted rights.

14. The FSMC certifies that it and its principals are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency.

#### **Professional Standards for Local School Nutrition Personnel**

The final rule seeks to insure that local school nutrition personnel in the National School Lunch and School Breakfast Programs have the knowledge and skills to manage and operate the programs correctly and successfully. The training standards apply to contract employees that are involved in the management or operation of the school nutrition programs, regardless of the contract duration. The LEA must request documentation from the FSMC to show compliance with the annual training standards.

Training standards do not apply to a vended meal provider commercial entity off-site from the school food service that provided pre-plated meals. However, the LEA director must insure that vendors providing meals for the school nutrition programs have the knowledge and skills to supply safe and nutritious meals that meet the meal patterns and dietary specifications.

#### **Civil Rights**

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotope, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: [http://www.ascr.usda.gov/complaint\\_filing\\_cust.html](http://www.ascr.usda.gov/complaint_filing_cust.html), and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form.
