We are requesting that you assess your inventory records and document the above referenced product. If you have any, please discontinue its sale. If you have shipped to an end user, please contact the final customer and have them review their inventory. If product is found, please have them document and contact you to make arrangements to pick-up. Once you have located all the effected product, please contact us to arrange shipments returns and account credits.

Please note that this withdrawal impacts products produced only at our P-20728 plant only. A few of the reference products are produced in our additional facilities and are not affected by this withdrawal. To properly identify the production plant please note that P-20728 will be printed on your shipping container and will be identified within the product batch code.
