Brief Summary of Unit:
Fourth grade students need a number of appropriate skills and behaviors in order to be successful.
- In Lesson 1, the counselor sets the stage by reading several statements, which represent a range of behaviors from inappropriate to appropriate. Students participate in a game of Tic-Tac-Toe and check their responses in a class discussion when the game is complete.
- In Lesson 2, the counselor brings a book bag filled with success related items that will help or hinder a student’s success (books, electronic games, or ruler). Through small
group discussion, students generate a list of items for a fourth grader to have at school in his/her book bag and the reasoning for each item.

What prior knowledge do students need (e.g. the steps to solving a problem) to be successful in this unit?
Students need to have learned the skills and behaviors learned in previous grades.
