Lesson Measurable Learning Objectives:
The student will identify at least two expectations of his/her previous environment.

Lesson Formative Assessment (acceptable evidence):
Assessment should relate to the performance outcome for goals, objectives and GLEs. 
Assessment can be question answer, performance activity, etc.
Students will be able to draw two pictures of their learning experiences before Kindergarten.

Lesson Preparation

Essential Questions:
How is school behavior different from behavior at home, daycare, or preschool? What do students do when they don’t understand what to do at school?

Engagement (Hook):
Counselor will dialogue with puppets about puppets’ previous learning experiences.

Procedures

Instructor Procedures/Instructional Strategies:
1. The counselor will bring students together and sit in a circle. Counselor will introduce the home puppet, babysitter puppet, daycare puppet, and preschool puppet and interview them about their previous experiences. Four students are selected to be puppeteers. The counselor will point to the puppet to indicate when they are to talk. When the counselor talks for the puppet the students will move the mouth of the specific puppet. Where did you go to preschool/daycare? What kind of things did you do when you stayed at home all day? What kinds of things did you do at preschool/daycare? Did you have certain rules? What did you learn?

2. Counselor will ask students to respond to the following:
   a. Stand up if you went to preschool.

Student Involvement/Instructional Activities:
1. Students will be sitting in a circle watching the counselor with the puppets. Four students will participate as puppeteers.

2. Students stand up based on their previous learning experiences. After each request students will sit down.
Then instruct students to sit down.
b. Stand up if you went to daycare. Then instruct students to sit down.
c. Stand up if you stayed at home with a parent. Then instruct students to sit down.
d. Stand up if you went to a babysitter. Then instruct students to sit down.

3. Counselor will have students go back to their desks/tables. Counselor will pass out the student “The things I learned before Kindergarten at ________.” Activity Sheet. Students will draw a picture of two things they did or two expectations in their previous learning situation (home, preschool).

4. The counselor will collect and store student’s work until next session. Next session the students will be asked to identify expectations they have learned about in Kindergarten.

3. Students will draw pictures of two things they did or two expectations during their previous learning situation.

4. Students will complete their drawings and turn it in to the counselor.

**Teacher Follow-Up Activities**

The teacher may want to review the students’ drawings of differences in experiences.

**Counselor reflection notes (completed after the lesson)**
