**Lesson Measurable Learning Objectives**

The student will identify five skills needed to perform helper jobs within the school system.
The student will write a rationale describing possible jobs to shadow.

**Lesson Formative Assessment (acceptable evidence):**

Assessment should relate to the performance outcome for goals, objectives and GLE.
Assessment can be question answer, performance activity, etc.

Students will identify the skills that are important in performing helper jobs in the school and the skills that are possessed personally by the student. Students will write a short paragraph to summarize the information learned about their top three job shadowing choices.

**Lesson Preparation**

**Essential Questions:**
Why is it important to develop skills to obtain jobs?

**Engagement: (Hook)**

Turn off the lights and turn on a flashlight. Ask a student to hold the flashlight and shine it on the wall. Use your hands to make shadows in front of the flashlight to reflect on the wall. Ask the students: What is this? What is a shadow? What does a shadow do?

Let some of the students make shadow in front of the flashlight.

# Procedures

## Instructional Procedures/Instructional Strategies:

1. Tell the students that in the coming days, they will possibly have the opportunity to “job shadow” with school personnel of their choice in the near future. Ask students if they know what job shadowing means. Why would it be important for students to job shadow people in the working world? If it’s not possible to job shadow individually then the counselor can arrange for small groups or classes to visit different workers in the building (school cook, secretary, custodian, principal, counselor). Explain to the students that today (or this week) they will be listening to several speakers who are members of the school community. These speakers will be discussing the skills necessary for their jobs as well as the tasks they perform on a daily basis.

2. Introduce each speaker to the class and the speaker will talk for the allotted amount of time. (3-5 minutes each). Each speaker will follow this format. Speakers will:
   - Introduce themselves and share their job title.
   - Tell some important responsibilities they have with their job.
   - Tell what school skills they use on the job (reading, writing, math…)

3. After the last speaker, tell the students that between now and the next class session, students need to rank their top three choices and write a paragraph describing their reasons for the choices they made. Develop your own ranking sheet or use the one provided with the lesson *School Job Ranking* Activity Sheet. The students can write their paragraph on the back of the ranking sheet.

## Student Involvement/Instructional Activities:

1. Students will listen to the speakers and take notes on the information.

2. Students will listen to the speakers and take notes on the information.

3. During the remaining time, students begin ranking their choices and writing about their reasons for making those choices.
Teacher Follow-Up Activities

Ask the classroom teacher to allow students time to finish ranking job shadowing preferences and their rationale for their choices.
