Lesson Measurable Learning Objectives:
The student will identify at least four community roles they fill.

Lesson Formative Assessment (acceptable evidence):
Assessment should relate to the performance outcome for goals, objectives and GLEs. Assessment can be question answer, performance activity, etc.
Each student will complete a personal community role web.

Lesson Preparation

Essential Questions:

As the teacher/principal responds, counselor records responses on the chart paper or SMART Board. (If teacher or principal is not available, then the counselor will implement the lesson independently. This will serve as a model for the activity the students will complete.)
