SUMMARY

On May 20, 2014, the State Board of Education lapsed the Normandy School District effective June 30, 2014, with direct oversight by the State Board of Education effective immediately. The State Board of Education authorized the establishment of the Normandy Schools Collaborative to be governed by a Joint Executive Governing Board (JEGB) to provide leadership to the local education agency, pursuant to Missouri law, Section 162.081, RSMo. Section 162.081.3(2)(b)a., RSMo, requires that the State Board of Education review and recertify the alternative form of governance every three years. The Joint Executive Governing Board was recertified on May 16, 2017 and again on May 12, 2020, and is set to expire on June 30, 2023, unless renewal occurs.

At the May 2020 meeting, four candidates were re-appointed to serve on the Joint Executive Governing Board through June 30, 2023. At that time, it was also noted that a fifth member would be presented for consideration at another time.

This fifth member will be presented for consideration by the State Board of Education. The candidate would serve until June 30, 2023, unless extended by the State Board of Education prior to that date or until the JEGB is dissolved by action of the State Board of Education.

PRESENTER

Margie Vandeven, Commissioner of Education, will participate in the presentation and discussion of this agenda item.
