# State Law

2. Prior to or at the time any school district in this state shall lapse, but after the school district has been classified as unaccredited, the department of elementary and secondary education shall conduct a public hearing at a location in the unaccredited school district. The purpose of the hearing shall be to:
  - (1) Review any plan by the district to return to accredited status; or
  - (2) Offer any technical assistance that can be provided to the district.

# State Law (cont.)

15

3. Except as otherwise provided in section 162.1100...the state board of education may appoint a special administrative board to supervise the financial operations, maintain and preserve the financial assets or, if warranted, continue operation of the educational programs within the district or what provisions might otherwise be made in the best interest of the education of the children of the district.

# State Monitoring and Assistance Team

16

- What should be the role of this Team and what responsibilities should they have?
- What are the desirable characteristics of the people who serve on this Team?
- Do you have any other suggestions?
