| I.  | Introduction              | Paul Katnik                 |
| II. | Missouri Educator Profile | Paul Katnik<br>Suzanne Hull |

MABEP previously voted to make the Missouri Educator Profile (MEP) optional. Members voiced their agreement that there should be some type of disposition instrument and that those instruments should assess common disposition themes. The following ten dispositional areas (themes) were gathered from disposition instruments currently used by preparation programs in the state. These will be reviewed at the March 5 meeting:

Effective oral and written communication  
Professionalism and ethics  
Positive and enthusiastic language  
Social and emotional intelligence  
Self-reflection  
Preparedness in teaching and learning  
An appreciation and valued for diversity  
Belief in students' ability to learn  
Collaborates effectively with stakeholders  
Takes initiative and is a self-regulated learner

| III. | Missouri Pre-Service Teacher Assessment (MoPTA) | Paul Katnik<br>Suzanne Hull |
|      | • MEES Workgroup Update                         |                             |

A motion was made by David Hough to “Discontinue the MoPTA and replace it with an assessment aligned to the MEES”. The motion was seconded by Linda Kaiser. The vote passed unanimously with an 11-0 vote.

IV. Missouri School Counselor Candidate  
Performance Assessment (MSCPA)

Paul Katnik  
Suzanne Hull

The Counselor performance assessment would be discontinued as well. Someone who has been working with the MEES version for counselors will attend the March meeting and provide further information about its development and piloting.

Someone will also attend the March meeting to provide and update on the performance assessment for librarians.

V. Annual Performance Report for Educator Preparation

Paul Katnik  
Suzanne Hull

The MEES will be modified and revised to interface with APR version 2.0 and to meet certification requirements. Updates will be provided at the March meeting on the progress of this work.
