Missouri Department of Elementary and Secondary Education  
Chris Nicastro, Commissioner  
PO Box 480  
Jefferson City, Missouri 65102

Dear Commissioner Nicastro,

I am requesting that Diane Livingston be appointed as a Missouri NEA representative on MACCE for a four-year term beginning in July 2014.

Livingston is a math teacher at Hazelwood Central High School currently serving as president of Hazelwood NEA. In her 13 years of teaching, she served on many committees. Livingston served on the steering committee that oversaw development of Hazelwood's new teacher evaluation system, as well as the steering committees on assessment and cultural competence. She serves on building and district level professional development committees. Last year, she served on the DESE committee that provided input into the development of the performance assessment for teacher candidates.

Livingston graduated from Southeast Missouri State University with a bachelor's degree in education in 1974. She and her husband owned and operated an armored car company for 13 years. They began with one client and had over 30 employees when they sold the business. She then returned to teaching, and earned her master's degree in education from Lindenwood University in 2008.

Thank you for considering the appointment of Diane Livingston to MACCE.

Chris Nicastro, Commissioner  
PO Box 480  
Jefferson City, Missouri 65102

Dear Commissioner Nicastro,

I am requesting that Dr. Christopher S. Smith be appointed as a Missouri NEA representative on MACCE for a four-year term beginning in September 2014.

Dr. Smith is a librarian at Westport Elementary School and York Elementary School in Springfield. Previous to becoming a librarian, his teaching experience included kindergarten, first grade, and reading disabilities for a total of 8 years. Smith began his education career at Bishop-Hogan Catholic School in north Missouri. He taught in Trenton one year before moving to Springfield.

Dr. Smith served on Governor Nixon's task force on the prevention of child abuse. He has served as a mentor to new teachers and as a cooperating teacher. He is on the building professional development committee. When the school decided to focus PD on technology, he delivered most of the professional development for a two-year period.

Smith graduated from the Northwest Missouri State University with his bachelor's degree in 2000 and his master's degree in administration in 2003. He earned a doctorate in curriculum and instruction from Lindenwood University in 2009.

Thank you for considering the appointment of Dr. Christopher Smith to MACCE.
