## Digital Library Resources

### Assessment Literacy Modules

- Commissioned Professional Learning Modules
- Resources for educators, students and families
- Frame Formative Assessment within a Balanced Assessment System
- Articulate the Formative Assessment Process
- Highlight Formative Assessment Practices and Tools

### Exemplar Instructional Modules

- Commissioned Professional Learning Modules
- Instructional coaching for educators
- Instructional materials for students
- Demonstrate/support effective implementation of the formative assessment process
- Focus on key content and practice from the Common Core State Standards for Mathematics and English Language Arts

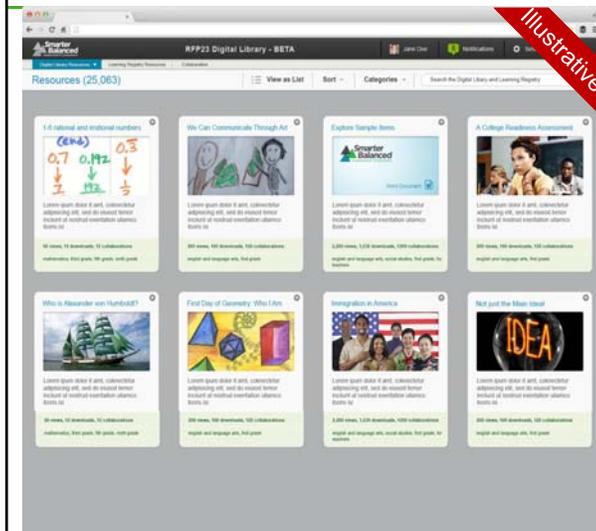

### Education Resources

- High-quality vetted instructional resources and tools for educators
- High-quality vetted resources and tools for students and families
- Reflect and support the formative assessment process
- Reflect and support the Common Core State Standards for Mathematics and English Language Arts
- Create Professional Learning Communities

# Digital Library Functionality

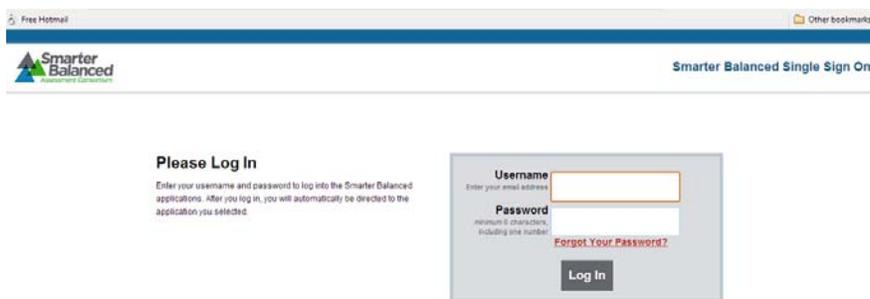

- Allows educators to view, download, and rate resources
- Uses state-of-the-art tagging and search to quickly find resources by CCSS and other topics
- Enables educators from across the Consortium to collaborate and share their knowledge
- Facilitates access to resources that are stored in participating libraries

## Welcome Tutorial

---

### Welcome to the Smarter Balanced Digital Library

The Digital Library is an online, user-friendly, searchable library for educators that contains only high-quality vetted resources. It is interactive and allows educators from member states to use and rate resources and collaborate. To learn more, click through the various welcome tutorials provided below.

## Account

---

The screenshot shows the 'Account' page in the Smarter Balanced Digital Library Beta. The user profile is for 'Smarter Balanced', a State Personnel in Washington, with the email digitallibrary@smarterbalanced.org. The profile includes fields for GRADES (Not Grade Specific), SUBJECTS (Not Subject Specific), and STUDENT POPULATIONS (All Students). There are tabs for Account, Notifications, and Favorites. A 'Helpful Information' section at the bottom states: 'The Account page allows you to adjust your profile to tailor the site to your needs. Use the Personal Information tab to update your name and title, include a short personal bio, or add a photo. Move to the Expertise tab to indicate the subjects, grades, and student populations you're interested in.'

## Using the Filters to Find Resources

The screenshot shows the Smarter Balanced Digital Library interface. At the top, there is a navigation bar with the Smarter Balanced logo, 'Digital Library', and user options like 'Myra', 'Notifications', 'Feedback', 'Favorites (0)', and 'Help'. Below this is a secondary navigation bar with 'Digital Library Resources', 'Resource Review', 'My Resources', 'Forums', and 'Reports'. A search bar is located on the right. The main content area features a left sidebar with filter categories: 'Subjects', 'Grade', 'Attributes', 'Practices', 'Measures', and 'Miscellaneous'. The 'Subjects' filter is expanded, showing a list of math topics with checkboxes. To the right of the sidebar are dropdown menus for 'Smarter Balanced Keywords', 'Geographic Settings', and 'Common Core State Standards'. At the bottom right, there are two buttons: 'Apply Filters' (highlighted with a red arrow) and 'Reset Filters'.

## Filter Digital Library Resources

The screenshot shows the Smarter Balanced Digital Library interface with filters applied. The top navigation bar is similar to the previous screenshot. The secondary navigation bar shows 'Digital Library Resources', 'Resource Review', 'My Resources', and 'Reports'. A search bar is on the right. The main content area shows a filter dropdown set to 'Instructional Resource'. Below this, there are two buttons: 'Edit Filters' and 'Reset Filters', which are highlighted with a red box. The main content area displays a list of 250 resources, sorted by 'Newest'. The first four resources are visible: 'Teaching with Primary Sources: Leaving Evidence of Our Lives', 'Identifying Similar Triangles', 'Educ Researcher Shares Definition and Techniques of Formative Assessment', and 'Adding and Subtracting on a Number Line-Grade One'. Each resource card includes the Smarter Balanced logo and a brief description.

## Digital Library: Collaboration

The screenshot shows the Smarter Balanced Digital Library interface. The main content area displays a resource titled "Characters, Settings, and Major Events in A Story - Interpret Evidence". Below the resource description, there are filters for "SUBJECTS AND DOMAINS" (ELA: Reading Literature, ELA: Writing, ELA: Economics & Equities), "GRADES" (2, Second Grade), and "MEDIA TYPES". A dropdown menu is open, showing sorting options: "Participation" (selected), "Most Recommended", and "Most Recent Activity". Below the filters, a table lists participants and their activity counts:

Participant	Recommendations	Topics	Posts
John Doe (District Administrator)	17	8	72
Sarah Smith (Principal)	4	7	19
Greg Jones (Principal)	4	7	19
Jane Doe (Principal)	4	7	19

## Accessing the Commissioned Modules

The screenshot shows the Smarter Balanced Digital Library Beta interface. At the top, there are navigation tabs: "Digital Library Resources", "Moderation", "Resource Review", and "My Resources". Below these are search filters for "Subjects", "Grades", "Attributes of the Formative Assessment Process", "Media Types", "Resource Type", "Intended End Users", "Intended Student Populations", and "Educational Use". A "Smarter Balanced Keywords" dropdown menu is highlighted with a red box, showing options: "Assessment Literacy Modules", "Math Exemplar Instructional Modules", "ELA Exemplar Instructional Modules", and "Interim and Summative Score Report Modules". Below the filters, it shows "483 Resources" sorted by "Newest". A "List View" button is visible. The main content area displays four resource cards with titles like "The Most Popular Color is.....", "Introduction to the Math Shifts for the Common Core State Standards", "Punkin Chunkin" Quadratic Equations and Projectile Motion, and "Purposeful Participation in Grade 2 Place Value".

## Accessing the Commissioned Modules

The screenshot shows the Smarter Balanced Digital Library interface. The top navigation bar includes 'Myra', 'Notifications', 'Feedback', 'Favorites (0)', and 'Help'. Below this is a search bar and a 'Digital Library Resources' tab. The main content area features several filter categories: 'Subjects', 'Grades', 'Attributes of the Formative Assessment Process', and 'Media Types'. On the right, the 'Resource Type' section is expanded to show 'Smarter Balanced Keywords'. Under 'Intended End Users', the 'Math Exemplar Instructional Modules' checkbox is selected and highlighted with a red box. A red arrow points from this box to the 'Apply Filters' button at the bottom right. Other filter options include 'Assessment Literacy Modules', 'ELA Exemplar Instructional Modules', and 'Interim and Summative Score Report Modules'. The 'Apply Filters' button is green with a checkmark, and the 'Reset Filters' button is purple with a refresh icon.

## Commissioned Modules

The screenshot displays a list of four commissioned modules. At the top, there are 'Edit Filters' and 'Reset Filters' buttons. Below the filters, it shows '4 Resources' and a 'Sort by: Newest' dropdown menu. A 'List View' icon is also present. The first module is 'Understanding Fractions: Clarify Intended Learning', which includes an illustration of children and a description: 'This module focuses on clarifying the intended learning and shows an educator who uses a real-world context — a hiking trail — to help...'. The second module is 'Georgia Dept Ed Math 6th grade unit 1 Number System fluency', described as 'This resource should be used as ongoing learning. All tasks are meaningful and interesting to students. The key concepts are clear and...'. The third module is 'Problem solves and communicates clear reasoning involving S.A.', described as 'This is a 6th grade Math class focusing on selecting an appropriate mathematical method to solve a real world problem. The lesson starts...'. Each module card shows the Smarter Balanced logo, subject and grade information, media types, and a star rating. The 'Problem solves and communicates clear reasoning involving S.A.' module has a green checkmark in the top right corner. At the bottom, there are icons for eye (views), download, and star (rating) for each module.
