

Missouri Part C Service System Structure Stakeholder Meeting

*April 25, 2007
9:45 - 3:30
Jefferson City, Missouri*

AGENDA

Desired Outcomes:

1. Identify challenges and what's working well with Missouri's current Part C service system structure.
2. Understand the various system structures that other states are using to provide early intervention services and ensure quality and accountability.
3. Explore potential structural options for Missouri including the pros and cons of each approach.
4. Develop a plan to share information from this meeting, obtain input from the field, and next steps to continue this work.

9:45 - 10:15 AM	Welcome and Introductions	Joyce Jackman, Part C Coordinator
10:15 - 11:00 AM	Challenges Resulting from Missouri's Current Service System Structure	Joicey Hurth and Anne Lucas, NECTAC
