

To: Presidents, Chief Academic Officers, Deans/Unit Leaders, and Assistant Directors  
Topic: Transition from MoSTEP to MoSPE  
From: Gale "Hap" Hairston, Ed.D. – Director, Educator  
Date: Monday – December 1, 2014

The Department has developed the processes for the Transition from the Missouri Standards for Teacher Education Programs (MoSTEP) to the Missouri Standards for the Preparation of Educators (MoSPE). The goal is for full implementation of the MoSPE Standards and new Certification Requirements with the start of the Fall Semester 2017. The first objective is for each preparation program to identify the individual certification areas that they wish to continue offering and secure approval for any new offerings. The second objective is to use the information to build a website that is accessible to students, preparation programs, the Department, and other stakeholder groups.

#### Transition from MoSTEP to MoSPE

- Transition Website:
- Transition Email Address:
- Links & Power Points for the Transition Webinars
  - September 23, 2014 – <http://desemo.adobeconnect.com/p37yo33yre3/>
