

Name (Optional): _____

What does student success look like to you?

* Reaching Potential * resilience * breaking cycles (poverty)
* Well-Rounded * setting/meeting goals

What do school communities need to do to prepare students for success after graduation?

- envision futures
- connect between Univ. and h.s.

How will you know Missouri schools have been effective in preparing students for success after graduation?

- % of ss in college/career transfer
- public perception

From our discussion tonight, what matters most to you in public education?

- life

Name (Optional): _____

What does student success look like to you?

College / career ready - ability to make wise choices

What do school communities need to do to prepare students for success after graduation?

How will you know Missouri schools have been effective in preparing students for success after graduation?

From our discussion tonight, what matters most to you in public education?

Name (Optional): _____

What does student success look like to you?

each student: What is the best path for me?
What does it take to make that happen?
Do it!

What do school communities need to do to prepare students for success after graduation?

Have a true partnership between schools & communities,
especially community businesses
apprenticeships, career tracks, etc.

How will you know Missouri schools have been effective in preparing students for success after graduation?

Graduates are able to be self-sufficient, unreliant
on financial assistance from family/friends and/or
the government.

From our discussion tonight, what matters most to you in public education?

The Kids! Let teachers teach. Cut the
eyes and go back to the simple basics.
And, let kids be kids while they still can.

Name (Optional): Sarah Garner

What does student success look like to you?

- Students excited & curious about learning
- Joy in discovery
- Kind empathetic
- Should change our thinking - expand our horizon

What do school communities need to do to prepare students for success after graduation?

- Personal Finance - Dave Ramsey
- College Prep (Business / Speech)
- Define Success for student / individual
- Exposure to the future

How will you know Missouri schools have been effective in preparing students for success after graduation?

- Decrease # of people on welfare / unemployment
- Decrease in mental health
- How to be ok not knowing the right answer
- Industry is can find workers ~~is~~ of quality
- Stop Playing The GAME of Pride

From our discussion tonight, what matters most to you in public education?

We are not emphasizing the right thing.
Realizing that not all teachers are good teachers.

Name (Optional): _____

What does student success look like to you?

*NOT AN ACT SCORE, HAPPY well adjusted, equipped,
contributing to community, enjoyable, authentic,
critical thinkers, problem solvers,*

What do school communities need to do to prepare students for success after graduation?

Responsibility, Parenting,

How will you know Missouri schools have been effective in preparing students for success after graduation?

*UNEMPLOYMENT, Jail, Lower Divorces,
Don't live in our basement*

From our discussion tonight, what matters most to you in public education?

Name (Optional): _____

What does student success look like to you?

Not a score... Authentic
"Equipped" Life Long Learners
Proud - encouraged "DOERS"
Contributors! Asks questions - seeks
Don't give up on any child! answers... Good character

Have hope!

What do school communities need to do to prepare students for success after graduation?

→ Schools + communities must partner + engage to ensure responsibilities for failures must be overcome. — less responsibility is put on children today - past generations put greater emphasis on doing + contributing...

How will you know Missouri schools have been effective in preparing students for success after graduation?

→ lower divorce
→ less unemployment
→ smaller jails

From our discussion tonight, what matters most to you in public education?

Name (Optional): _____

What does student success look like to you?

Successful students understand their passions and interests, which leads them to engage in learning that is related to those passions. We get to rigor [through] relevance!

What do school communities need to do to prepare students for success after graduation?

The larger community must engage in schools by providing opportunities for exposure to the vast career options out there. This must start very early... middle school exploration of interest is the right spot!

How will you know Missouri schools have been effective in preparing students for success after graduation?

We can provide students with a skill set of knowledge + dispositions prior to graduation, but it is very difficult to hold schools accountable once they enter the postsecondary arena.

From our discussion tonight, what matters most to you in public education?

Investments in human beings and the capacity to be healthy and successful adults.

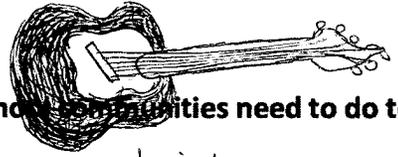

Group Discussion - Individual Response

Regional Meetings on Education Southwest September 6, 2016

Name (Optional): Makenzi Duque

What does student success look like to you?

Able to face life with most if not all essential tools. Even if they want to be something that doesn't have to do with each category of learning, students should be well rounded in all categories.

group discussions

What do school communities need to do to prepare students for success after graduation?

Some good ideas would be to have internships or even job offers for recently graduated or even current high school students, up-to-date technology + teachers with up to date knowledge. Scholarships are a good way for a community to prepare students for success.

How will you know Missouri schools have been effective in preparing students for success after graduation?

If the student is able to say at the end of it all that they are proud of themselves, if they made a mark on the world, they have pursued a career & not just a job, if the student feels comfortable in pursuing their future (career, college, military, etc.), if they have made their contribution to society & the community good citizens,

From our discussion tonight, what matters most to you in public education?

By properly preparing teachers to properly prepare students, having the proper tools to prepare students

SCHOOLS

What does student success look like to you?

Metrics / play-connection - ^{emotional/social} pouring into the whole child
Each student's success is personal / reflection of their journey
Students have voice / choice active participants in the process
College / career readiness - prepared perseverance / grit
Understanding the diverse needs of students & creating opportunities
that support those needs @ the same time existing in community

What do school communities need to do to prepare students for success after graduation?

The community should be an advocate for helping to provide tools
and opportunities that support students beyond the school doors.
Giving students voice throughout their educational journey helps them understand
the importance of the community as a whole.
Senior Seminar - reality of the Understanding the role students play in
the community in giving back

How will you know Missouri schools have been effective in preparing students for success after graduation?

Employment Rates / Poverty Levels - in community
School funding levels
Parents that act like parents
Students are equipped with soft skills Vision

From our discussion tonight, what matters most to you in public education?

Getting back to common sense in education rather than ~~hoop~~
hoop jumping.
Good relationships between students - teachers & community

Name (Optional): _____

What does student success look like to you?

Student success looks like getting every student involved and prepared for their future lives after high school

What do school communities need to do to prepare students for success after graduation?

Provide opportunities for success, provide scholarships, Quality teachers

How will you know Missouri schools have been effective in preparing students for success after graduation?

Looking into the communities to see our Missouri students serving as key community members. Look into the positive changes or benefits in the community

From our discussion tonight, what matters most to you in public education?

preparing children for success
Training students to be good people throughout life
Informing students of the realities of life

Name (Optional): _____

What does student success look like to you?

read + write

problem solving

~~math~~ General knowledge

opportunities

some specific

tests of success/confidence

What do school communities need to do to prepare students for success after graduation?

Up to date technology

Up to date teacher knowledge

How will you know Missouri schools have been effective in preparing students for success after graduation?

2. Contributing to society

↳ self sufficient

3. Able to go on to further study

From our discussion tonight, what matters most to you in public education?

local + Global

small school

small class size

Name (Optional):

Jay Roth

What does student success look like to you?

Not just College + Career Ready but future-ready

(having a career is an indicator of success of future readiness); Dispositions and attitudes (with feedback)

reference of "failing forward"

What do school communities need to do to prepare students for success after graduation?

Project Lead the Way + STEAM-related curriculums

Be adaptable - clarify identity [What is school now + the future?] and change form (modify + think in new ways)

How will you know Missouri schools have been effective in preparing students for success after graduation?

It is troubling that a metric/indicator is being questioned when a post-graduation individual graduate has further choices that can influence a metric/indicator.

From our discussion tonight, what matters most to you in public education?

Name (Optional): _____

What does student success look like to you?

- Prepared and excited for life after school - college or career.
- Individual goals reached

What do school communities need to do to prepare students for success after graduation?

Hands on learning, - Sampling of careers/internships

How will you know Missouri schools have been effective in preparing students for success after graduation?

They all have plans - in college or in a career. Hard to measure

From our discussion tonight, what matters most to you in public education?

- Prepare teachers, prepare students for life after graduation - career or college

Name (Optional): _____

What does student success look like to you?

Different for every person Have to learn to gather information to reach your goals.

What do school communities need to do to prepare students for success after graduation?

Scholarships, hands on internships, good teachers

How will you know Missouri schools have been effective in preparing students for success after graduation?

Seeing betterment in the community, young people working towards long term goals

From our discussion tonight, what matters most to you in public education?

Preparing student to be the best they can in whatever direction they wish to go in after high school.

Name (Optional): _____

What does student success look like to you?

Being able to get along with others - being able to communicate -

What do school communities need to do to prepare students for success after graduation?-

Quality teachers - provide lots of opportunities & experiences - hands-on learning
help provide finances for graduates
Dual credit courses - work experience programs

How will you know Missouri schools have been effective in preparing students for success after graduation?

After graduation interviews, surveys of graduates

From our discussion tonight, what matters most to you in public education?

Life Skills !!!
Self Esteem !!!

Name (Optional): _____

What does student success look like to you?

What do school communities need to do to prepare students for success after graduation?

* Soft skills	* Senior Seminar
* Personal Responsibility	*
* Relationships	* Get an email out
* Hire Good teachers	to Read, Write, Listen, Speak Learn, Grow

How will you know Missouri schools have been effective in preparing students for success after graduation?

From our discussion tonight, what matters most to you in public education?

Name (Optional): Jainie Shaver

What does student success look like to you?

personal characteristics, different for every school setting individual goals for students and helping them be successful (see growth) might not meet 100% but the student at least feels some accomplishment and ownership in the goal (whatever it might be)

What do school communities need to do to prepare students for success after graduation?

-mentoring
-more collaboration between schools and city programs/business

How will you know Missouri schools have been effective in preparing students for success after graduation?

when did this fall on schools? parents/families/homes need more accountability to support their "students" after H.S. Kids need experience - failing but sticking w/ something, too easy to give up - schools enable the "school is responsible" mentality - why -

ARE YOU HAPPY?

From our discussion tonight, what matters most to you in public education?

THE KIDS! each child's individual gifts, strengths helping them use strengths to compensate for weaknesses DOING WHAT'S BEST FOR KIDS MEANS LETTING THEM HAVE A VOICE, WHAT ARE THE KIDS TELLING US... IN THEIR ACTIONS, THEIR WORDS, ON THEIR FACE, IN THEIR Demeanor

Name (Optional):

Sunshine Wolfe

What does student success look like to you?

Student engagement / involvement.

Team work / collaboration / communication

Tools / Resources, Home Life - Support.

Technology, BPIS - Respectful, Responsible, etc. Character traits.
Confidence / self esteem, Determination

What do school communities need to do to prepare students for success after graduation?

Life Skills, Communication, teamwork,

Education / Grades / Tests - Academics

Resources / Tools

Educate for the personality and education level.

Partners In Education, sponsors, mentors, internships

How will you know Missouri schools have been effective in preparing students for success after graduation?

Employment Rates.

College Attendance Rates / Enrollment

Self fulfillment / Self Satisfaction

From our discussion tonight, what matters most to you in public education?

That our schools / districts continue to advance our children
by educating them, building character traits and
self confidence in our children to be productive
citizens / students in our communities in whatever the
after high school life plans are for our children.

Name (Optional): Harry Spiller

What does student success look like to you?

Able to communicate with each other & teacher
Collaborate ~~as~~ teams to problem solve through
inquiry
~~that~~ Need who feel safe to take risks, fail, trusted

What do school communities need to do to prepare students for success after graduation?

Collaborate with Community, Business to get
Feedback of what their businesses need to
set employable Graduates

How will you know Missouri schools have been effective in preparing students for success after graduation?

Feedback from Employers of these students
All levels  What is the gap of hard & soft
~~skills~~ skills from year to year in survey
form.

From our discussion tonight, what matters most to you in public education?

That our kids are taught to ~~learn~~
Collaborate & solve problems through inquiry
and they are treated with age appropriate
responses to their needs to feel safe &
trusted in the classroom environment.
That parents are let into schools instead of
having lock down mentality

Name (Optional):

Mary Clark

What does student success look like to you?

Engagement Involvement ability to participate
Observing and applying. Collaboration/communication
so they can solve problems. Ability to use tools (tech)
for learning. PBIS model respectful, responsible
and ready. (Failing forward = risk taking) Growth mindset.

What do school communities need to do to prepare students for success after graduation?

Business perspective - Vocational Training
Realize not everyone should go to college
Figure out how to get them to come back to the
community - move vocation training down to 9th Grade.
More connection to parents in the community.

How will you know Missouri schools have been effective in preparing students for success after graduation?

Incarceration, single parenting, crime rates, decrease poverty
rate, multiple children, ^{stats} data searching
3rd Grade reading ability connection to prison building.
What does success look like? Community definition
needed. Stable life and feel successful.

From our discussion tonight, what matters most to you in public education?

Students should persevere, communicate, collaborate,
problem solve, ^{have} strong character,

Name (Optional): _____

What does student success look like to you?

Reach potential and adaptable

What do school communities need to do to prepare students for success after graduation?

How will you know Missouri schools have been effective in preparing students for success after graduation?

From our discussion tonight, what matters most to you in public education?

Name (Optional): Bryan Bronn

What does student success look like to you?

In the FLOW - CONNECTED - ENJOYING - PERSONAL AGENCY
DEVELOPED - "We must prepare learners to leave home as adults,
not merely on the road to adulthood." Dr. Gary Smalley

What do school communities need to do to prepare students for success after graduation?

Opportunities to develop <u>autonomy</u>	<u>innovate</u>	Every child
<u>mastery</u>	<u>creativity</u>	deserves an
<u>connectedness</u>		excellent, excited,
<u>collaborate</u>		& empathetic teacher.
		NOT Every child
		deserves a laptop,
		iPad, or Chromebook.

We agree
Technology can accelerate learning, but the computers must be in the hands of an effective teacher who can ask the right questions, connect personally, express appreciation, and encouragement.
How will you know Missouri schools have been effective in preparing students for success after graduation?

Engagement → defined by indicators and facilitators Develop a Passport of experiences

Facing the
state
legislators

CONSTRUCTIVISM - we make our own meaning
of success

→ Vygotsky
Bruner
Sarasohn
Dewey

for \$3 Billion Education Appropriation

From our discussion tonight, what matters most to you in public education?

"The Smartest Kids in the World"
book

Name (Optional): _____

What does student success look like to you?

FULL INCLUSION FOR ALL STUDENTS, DISPARITIES ARE NOT ADDRESSED. ALL SHOULD HAVE ACCESS AND WE SHOULD HAVE EXPECTATIONS FOR EVERYONE.

CULTURAL COMPETENCE AND DISABILITY INCLUSION
TEACHER EDUCATION
PEER RELATIONSHIPS
CURRICULUM

What do school communities need to do to prepare students for success after graduation?

RELEVANT ACTIVITIES, INTERNSHIPS, CONNECTING AND ENGAGING WITH THE COMMUNITY. HOW WILL DESE ADDRESS ISSUES WITH SHELTERED WORKSHOPS AND DOS CASES? WHAT DOES THIS SHIFT LOOK LIKE? NEED TO BE AS INCLUSIVE AND ENGAGING WITH THE COMMUNITY AND NEIGHBORHOOD SCHOOLS

How will you know Missouri schools have been effective in preparing students for success after graduation?

PROVIDE A SAFE PLACE TO LEARN AND ENGAGE. NO SEGREGATED STATE SCHOOLS, NO SECLUSION AND RESTRAINT. REAL INCLUSION FOR ALL AND ACCESS TO LEARNING.

From our discussion tonight, what matters most to you in public education?

HOW WILL DESE ADDRESS THE WIDESPREAD CHANGES FOR STUDENTS WITH DISABILITIES?

- DESE FUNDING BOTH WORKSHOPS & VR SEEM TO BE A CONFLICT OF INTEREST?

- SECLUSION & RESTRAINT - HOW TO REDUCE?

- ~~HOW~~ HOW WILL DESE RESPOND TO THE DOS CASE IN GEORGIA REGARDING SEGREGATED STATE SCHOOLS? WHAT IS THE PLAN FOR CHANGES?

Name (Optional): _____

What does student success look like to you?

- ① Self Advocate
- ② Know How To LEARN
- ③ Problem Finder
- ④ Know that Failure is OK
- ⑤ BALANCE of Application of Knowledge & Skills (soft skills)

What do school communities need to do to prepare students for success after graduation?

- ① Develop Relevant Opportunities off-site to provide students to apply knowledge.
- ② Exposure to career options
- ③ Interdisciplinary Approach to content
- ④ Support social / Mental Health needs

How will you know Missouri schools have been effective in preparing students for success after graduation?

- ① CRIME RATE / Poverty Rate — DECREASES
- ② They leave as life long learners
- ③ How do graduates handle their first job
 ↑ Advance or ↓ can't hold it

From our discussion tonight, what matters most to you in public education?

- * Flexibility
- * MEASURE The Right Things
- * Move Away from the Structure of the school model
 - content / units
 - Biological Age
 - TIME of EACH DAY

Name (Optional): Daniel Hellmer

What does student success look like to you?

Knowledgeably across a wide variety of subject areas,
able to make, ~~present~~ ^{or otherwise}, willingness to fail, leadership,
engagement with real world problems, strong traits, skills,
problem solvers

What do school communities need to do to prepare students for success after graduation?

integrate curricula, more updated curricula, integrated arts curricula
focus on soft skills, creative products, use flexible measurement
tools, more accessibility to music, dance, drama, art classes
More support for social problems, interviews

How will you know Missouri schools have been effective in preparing students for success after graduation?

data, students are eager to learn, curious, able to lead, want
to get to school, less ~~poverty~~ ^{poverty}, ~~double~~ ^{student} ~~for~~ ^{engagement}
enrollment in advanced coursework, enrollment in music and arts courses,
parent involvement, quality of life, ~~an~~ improved culture
more measures, quality of public debate and dialog

From our discussion tonight, what matters most to you in public education?

Integration of Arts Education in meaningful up-to-date
ways that require thoughtful holistic development
that builds excitement and results in highly critical thinking
and meaningful products – Student who can problem
solve – more flexibility

Name (Optional): _____

What does student success look like to you?

Literate
Communicator

What do school communities need to do to prepare students for success after graduation?

From our discussion tonight, what matters most to you in public education?

Name (Optional): _____

What does student success look like to you?

Children can communicate ~~up~~ effectively w/ others
Citizen - good kid - tries / involved
Engaged - Positive self esteem
Living to his/^{her} potential / Needs are met individually -
Form positive relationships
Individual happiness

What do school communities need to do to prepare students for success after graduation?

Communication skills, Explore, Think outside the box
Learn to Problem Solve, Teaching "Grit", Engage Parents,
Job shadow at Middle School - Expose to other ideas / careers
Empathy... Shown & taught
(Judging students by their test scores is foolish) (High test scores does not equal success after H.S.)

How will you know Missouri schools have been effective in preparing students for success after graduation?

Employment Rate
Poverty Decrease
% of Dual Credit and Higher level course per ^{# of} 100 Student

From our discussion tonight, what matters most to you in public education?

Not test scores
Growing Students that can develop healthy relationships
Can they problem solve

Name (Optional): SARA CASTILLE

What does student success look like to you?

LITERACY / COMMUNICATION / EQUIPPED FOR PROVED AN OPPORTUNITY FOR SUCCESS
AFTER SCHOOL / CITIZEN / PRODUCTIVE-ENGAGED / SELF ESTEEM-POSITIVE
INDIVIDUAL BASED NEEDS MET / ZPTC Early EXPERIENCES

SUCCESS - WHAT IS THAT AND ARE WE ABLE TO MEASURE THAT FOR INDIVIDUAL STUDENTS?

too FARZLY

"FIZZLE FORWARD"

What do school communities need to do to prepare students for success after graduation?

OPPORTUNITIES TO EXPLORE AND PROBLEM SOLVE / EARLIER CAREER GOAL DISCUSSIONS /
EMPATHY vs SYMPATHY / TEACHING UNDERSTANDING / ENCOURAGE QUESTIONS - CHALLENGE
THE NORMS OR SYSTEMS / FOCUS ON STUDENT LEARNING AND OPPORTUNITIES
FOR TEACHING & LEARNING / ENGAGE FAMILIES IN SUCCESS DISCUSSIONS /

How will you know Missouri schools have been effective in preparing students for success after graduation?

EMPLOYMENT RATE / TECHNICAL AND COLLEGE DEGREE SUCCESS /
ECONOMIC GROWTH / COMMUNITY GROWTH / # of STUDENTS PARTICIPATING
IN LOCAL ECONOMY / OCCUPATIONAL TRAINING / DEGREE OR CERT. SUCCESS NOT JUST GOING
REMOVED THE BARRIERS FOR ALL STUDENTS TO ENGAGE
IN COLLEGE OR CAREER READY OPPORTUNITIES — NEW APPROACH

From our discussion tonight, what matters most to you in public education?

AND WE WANT
 YOU TO GO FARZLY
 TO UNDERSTAND AND
 DEFINE SUCCESS.

Name (Optional): Nathan Manley

What does student success look like to you?

literate, communicator, prepared for life after HS, productive, engaged citizen, positive self-esteem, individual needs met, form positive relationships, growth mindset

What do school communities need to do to prepare students for success after graduation?

Opportunity to problem solve ^{or explore}, ~~provide~~ provide opportunities for all students, challenge traditional thinking, empathy, expand horizons of students, engage families & communities

"Tradition can be a great teacher or a terrible slave."

How will you know Missouri schools have been effective in preparing students for success after graduation?

unemployment rate?, HS diplomas, college graduates, Free/Reduced Rate decreases, ~~and~~ # of students taking advanced level courses, % of money spent on textbooks decrease ☺ - lower crime rate
~~individual reporting system~~ - PERSONALIZED

From our discussion tonight, what matters most to you in public education?

Relationships matter most, being productive in society, literate & problem solvers. Stop measuring student growth w/ ONE high stakes test. Make it a PBL world.

calendar or funding flexibility, teacher prep programs

Name (Optional): JIM CUMMINGS

What does student success look like to you?

- LITERACY
 - COMMUNICATE
 - ~~ABILITY~~ ^{EQUIPPED/PREPARED} TO BE SUCCESSFUL AFTER HS
 - PRODUCTIVE CITIZEN
 - ^{INVOLVED} ENGAGED
 - POSITIVE SELF ESTEEM
 - ^{INDIVIDUAL} NEEDS ARE BEING MET
 - RELATIONSHIP BUILDER
 - GROWTH MINDSET
- ⚡ SUCCESS - HOW WILL WE MEASURE AN INDIVIDUAL'S SUCCESS?

What do school communities need to do to prepare students for success after graduation?

OPPORTUNITIES TO EXPLORE / ^{MIDDLE SCHOOL} MS STUDENTS A CHANCE TO WITNESS / JOB SHADOW FOR "FUTURE STORY" / TEACH EMPATHY / CHALLENGE TRADITIONAL THINKING / RETURNING TO SOME FORM OF "EDUCATING" THAT GOES BEYOND ACCOUNTING FOR EVERY TEACHABLE MINUTE / ENGAGING PARENTS ON WHAT SUCCESS CAN BE / EARLY CHILDHOOD EDUCATION

- EMPLOYMENT RATE → CAREER READY / COLLEGE GRADUATION
- ECONOMIC GROWTH IN THE STATE • ADVANCE COURSE OFFERINGS
- REMOVING BARRIERS FOR MINORITIES & F/R TO GET INTO ADV COURSES

From our discussion tonight, what matters most to you in public education?

RELATIONSHIPS, ENGAGEMENT, EXPOS^{URE}/OPPORTUNITIES, GETTING AWAY FROM EVERY SINGLE MINUTE BEING SPENT CHASING PROF/ADV SCORES ON MAP TEST,

Name (Optional): Nixa & Ozark

What does student success look like to you?

What do school communities need to do to prepare students for success after graduation?

How will you know Missouri schools have been effective in preparing students for success after graduation?

From our discussion tonight, what matters most to you in public education?

Name (Optional): _____

What does student success look like to you?

What do school communities need to do to prepare students for success after graduation?

Meet whole child needs Mindset of when you graduate

Emphasis on early childhood

Parenting skills

How will you know Missouri schools have been effective in preparing students for success after graduation?

From our discussion tonight, what matters most to you in public education?

Name (Optional):

Jason Fugold

What does student success look like to you?

- Passionate / self-motivated, sense of pride
- Own goal setting. Asking questions → finding answers
- Love of learning
- Growth mindset

What do school communities need to do to prepare students for success after graduation?

- Job preparation and experiences
- Offers skills - handle conflict, problem solving, communication skills
- ~~Change~~ ^{Growth} mindset → expand their horizon
- School districts having local control

How will you know Missouri schools have been effective in preparing students for success after graduation?

- Productive citizens - responsible, contributing
- Break cycles of poverty, crime rates
- Approval from higher ed.

From our discussion tonight, what matters most to you in public education?

* Local Control !!

↳ to make decisions in the best interest of kids

Name (Optional): Sarah Fuller

What does student success look like to you?

A student that has realized their value and contribution to the world and is willing to be a lifelong learner.

What do school communities need to do to prepare students for success after graduation?

Allow students to fail, provide access to real world experiences, encourage students to think for themselves, hold students accountable, differentiate instruction.

How will you know Missouri schools have been effective in preparing students for success after graduation?

~~Observe what kinds~~ The next generations are coming in better off than previous generations. Keep asking the people in communities. In my opinion, the best measurement is not college and career outcomes. There really is not an easy way to measure this, but I think it might be measured by a decrease in crime and possibly economic growth.

From our discussion tonight, what matters most to you in public education?

All students are valued and cared for, All teachers are valued and cared for, ~~and~~ Focus on being genuine rather than being the best. Take care of the kids. Take care of the teachers. Take care of the community.

Name (Optional): _____

What does student success look like to you?

Passionate
Deeper Learning
Excited

What do school communities need to do to prepare students for success after graduation?

Job Preperation
Overall Mindset from an early age
Conflict Resolution / Problem Solving
Parenting skills

How will you know Missouri schools have been effective in preparing students for success after graduation?

What is success?
Productive Citizen (contributing to society)

From our discussion tonight, what matters most to you in public education?

"Every child succeeds, whatever it takes, no
~~and~~ excuses"

Name (Optional): _____

What does student success look like to you?

self determined, contributing member of society (wide range of outcomes), equipped for their next chapter, experienced in a range of possibilities, competent in foundational skills + familiar with personal responsibility expectations.

What do school communities need to do to prepare students for success after graduation?

Create experiences (test drives). Set expectations high, but that doesn't necessarily mean by traditional measures of testing, compliance, grades, etc. Connect with mentors + models outside of traditional classroom/teacher settings (professionals, careers, leaders, etc.) Collaborate w/ other communities + within own community.

How will you know Missouri schools have been effective in preparing students for success after graduation?

From our discussion tonight, what matters most to you in public education?

Name (Optional): Krissy Friedman

What does student success look like to you?

I was the recorder. Please see statements on blue sheet

What do school communities need to do to prepare students for success after graduation?

How will you know Missouri schools have been effective in preparing students for success after graduation?

From our discussion tonight, what matters most to you in public education?

Name (Optional): _____

What does student success look like to you?

*Academic & personal growth, sense of accomplishment, problem solver,
active participation. Partnership*

What do school communities need to do to prepare students for success after graduation?

Early childhood

- How will you know Missouri schools have been effective in preparing students for success after graduation?

From our discussion tonight, what matters most to you in public education?

Individual

Skills mat

Name (Optional): Lance Massey

What does student success look like to you?

Wheaton

What do school communities need to do to prepare students for success after graduation?

How will you know Missouri schools have been effective in preparing students for success after graduation?

From our discussion tonight, what matters most to you in public education?

- Deviate AWAY from Funding through ADA
- Standards Based Grading opportunities
- Continue to keep school districts w/ Declining enrollment in mind. I Am struggling to maintain a balanced budget while neighboring districts w/ increasing enrollments are meeting their maximum transfers every year

Name (Optional):

What does student success look like to you?

progress, achievement, growth, individual growth, Engagement, Problem-solver, self-directed, student voice, failing forward, (Engaged), Citizenship, self-directed, Career Successful

What do school communities need to do to prepare students for success after graduation?

Individual, partnerships, Advisory Committee, student evaluated, shared vision, shared learning, Job Shadowing, transition, CAREER, Connectivity, PARENT, student-lead conf

How will you know Missouri schools have been effective in preparing students for success after graduation?

Good PARENTS, Good CITIZENS, Good SPOUSE, Good Employees, Respectful, Infrastructure, CHASING NUMBERS

From our discussion tonight, what matters most to you in public education?

(Better) today than yesterday!, Flexible measurement tools, 15 min Exit Interview

Will you be more successful tomorrow when compared to today?

CHILDREN, Every student, Every opportunity

Are we doing what is in the best interest of those most important to our children vs political, etc.,

Name (Optional): Table 9

What does student success look like to you?

comfortable, engaged, confident, growth mindset, 21st century skills, problem solving, individualized, opportunity, communication, collaboration, critical thinking, creativity, safe, happy, fundamental needs are being met, empowered, ownership, autonomy, okay to "fail", learn from mistakes, determined, grit,

What do school communities need to do to prepare students for success after graduation?

provision of multiple experiences, manners, give students a vision of what their future could be, strong community collaborations (b/c we are good @ pedagogy but need connections to provide practical application), vo-tech, hands on experiences, how can we create a more K-12 initiative regarding financial responsibility, Collaboration that involves parents,

How will you know Missouri schools have been effective in preparing students for success after graduation?

provision of more autonomy @ a district level to select measures that indicate success, a system created in which students have the chances to know & think about life beyond graduation (beyond classes in college), Not College career ready, but life ready. the system stifles the ^{opportunities} communities ~~have had~~ could implement to experience life.

From our discussion tonight, what matters most to you in public education?

all students, happy, Relevance, did our students leave our schools with a vision for their future? & a passion to pursue it.

Name (Optional): _____

What does student success look like to you?

What do school communities need to do to prepare students for success after graduation?
