DEPARTMENT GOAL NO. 1:

All Missouri students will graduate college and career ready.

SUMMARY:

On May 17, 2016, the State Board of Education approved a notice of proposed rulemaking to rescind Rule 5 CSR 20-200.220, Relating to Determining Schools Having High Concentrations of Low-Income Children for Purposes of National Defense Education, National Direct and Federal Perkins Student Loan Cancellation. Teachers who have been the recipients of National Defense Education loans, National Direct Student loans or Federal Perkins Student loans may be eligible for partial cancellation of their loans if they are teaching in schools with high concentrations of low-income children. DESE, in cooperation with the United States Department of Education (USDE), annually prepares a list of schools having high concentrations of low-income students under criteria provided by the USDE. This rule set forth the procedures to be followed by DESE in compiling the list of these schools. This rule can be rescinded as DESE no longer determines which schools can be submitted. This determination is made by the USDE. This notice of proposed rulemaking was published in the *Missouri Register* on July 1, 2016 (41 MoReg 834). No written comments were received during the thirty (30) day time period which ended on July 31, 2016.

PRESENTER:

Blaine Henningsen, Assistant Commissioner, Office of College and Career Readiness, will assist in the presentation and discussion of this agenda item.
