

The Department of Elementary and Secondary Education opened an application window from March 1, 2014 through June 30, 2014 so that Missouri public school administrators could request specific industry recognized credentials (IRSs) be added to the MSIP 5 list of approved IRCs. The IRC committee met on September 3 to review the applications. This committee has been meeting and providing advice and direction to the Department on IRCs since 2012. The team consists of:

- Mike Pantleo, Director, Career and Technical Center, Fort Osage School District
- Norma Anderson, Director, Secondary Education, Blue Springs School District*
- Elaine Metcalf, Director, Summit Tech, Lee's Summit School District*
- Jennifer Stanfil, Director of CTE, Parkway School District*
- Jackie Jenkins, Director, Lake Career and Technical Center, Camdenton*
- Jay Boleach, Director of CTE, Ferguson Florissant School District
- Brian Noller, Director, Northland Career Center, Platte County School District
- Roger McGregor, Director, Hannibal Career and Technical Center, Hannibal School District
- Tamra McNabb, Director of CTE, Ozark School District
- Gina Smith, Director, Cass Career Center, Harrisonville School District
- Christy Rutherford, Business and Marketing Department Chair, Lee's Summit School District
- Brandon Russel, Assistant Director, Columbia Area Career Center, Columbia School District (formerly Director Jeff-Co Area Career and Technical Center)
- Randy Gooch, Director, Columbia Area Career Center, Columbia School District

(*Unable to attend the September meeting, but has been kept aware of and provided an opportunity to offer feedback via email)

Several Department staff also attended the meeting to act as a resource and provide information as requested from the IRC Committee:

- Dennis Harden, Director of CTE
- Oscar Carter, Director of Skilled Technical Sciences
- Leon Busdieker, Director of Agriculture, Food and Natural Resources
- Mary Lou Rimer, Director, Health Science Education
- Leone Herring, Director Family Consumer Sciences and human Services
- Lori Niekamp, Director, Business, Marketing and information Technology
- Kristie Davis, Director Pathways to Prosperity
- Jocelyn Strand, Coordinator MSIP 5
- T.J. Spalby, Director MSIP
- Janice Rehak, Coordinator CTE Curriculum, facilitated the review
