

CLIENT RESPONSIBILITIES

Home Modification Services:

In order to receive home modification services, the following conditions must be met:

- I understand this equipment is solely to achieve the goals of my Individualized Plan for Employment.
- If the dwelling is rented, written approval from the landlord is required before any home modification can be considered.
- I will notify my counselor of receipt and completion of approved modifications.
- I will not sell, borrow against, pawn, give away, or dispose of any removable equipment or items installed during home modifications without contacting my counselor.
- I am responsible for appropriate care and routine maintenance of equipment.
- I have been made aware of the possible availability of the Residential Dwelling Accessibility (DAT) Tax Credit.
