

# Functional Limitations - Guide

- Mobility and Dexterity
  - Walking
  - Climbing
  - Balancing
  - Stooping
  - Kneeling
  - Crawling
  - Crouching
  - Motor coordination
  - Eye/hand/foot coordination
  - Wheelchair ambulation
  - Transfer capabilities
  - Running
  - Grasping
  - Handling
  - Fingering
  - Finger dexterity
  - Manual dexterity
  - Ability to operate hazardous equipment
  - Range of motion in extremities (i.e. flexion, extension, rotation, abduction, supination, and pronation)
  
- Communication and Sensory
  - Speech
  - Hearing
  - Visual acuity
  - Visual fields (peripheral vision)
  - Visual figure ground
  - Visual motor integration
  - Visual discrimination
  - Auditory awareness
  - Auditory discrimination
  - Auditory figure ground
  - Auditory blending
  - Language (phonology, semantics, symbols)
  - Tactile discrimination (i.e. surface textures and temperatures)
  - Ability to use the telephone
  
- Psychological Adjustment
  - Dependability
  - Conformance to rules
  - Decision making/judgement
  - Dependency on others
  - Task attendance
  - Impulse control

## **Functional Limitations - Guide**

- Distractibility (tolerance to distractions)
  - Interpersonal social skills
  - Appropriate and meaningful leisure skills
  - Ability to adapt to frequent changes
  - Motivation/initiative
  - Ability to follow instructions
  - Self confidence/self image
  - Ability to assume responsibility
  - Appropriate mood (affect)
  - Preoccupation to illness or limitations
  - Ability to obtain appropriate sleep
  - Ability to accept criticism
  - Concentration
  - Anxiety/tension control
  - Sobriety
  - Respect for people/property
  - Poor eye contact
  - Vulnerability
  - Tolerance to frustration
- **Activities of Daily Living**
    - Eating/dressing
    - Hygiene/grooming
    - Control of bowel and bladder
    - Wheelchair transfers
    - Ability to handle finances
    - Utilization of public transportation
    - Utilization of community resources
    - Food preparation
    - Driving a vehicle
    - Independence (relating to activities requiring assistance)
    - Cosmetic appearance (including dental conditions)
- **Cognitive Functioning**
    - General intellectual functioning
    - Abstract thinking
    - Reading
    - Writing
    - Form perception
    - Spatial perception
    - Reading comprehension
    - Spelling
    - Math
    - Auditory memory
    - Auditory sequential memory
    - Visual memory

## Functional Limitations - Guide

- Visual sequential memory
- Reading recognition
- Problem solving
- Short term memory
- Long term memory
- Ability to follow complex instructions
- Orientation to reality
- Judgement
- Concentration (attention span)
- Common logic
- Ability to operate complex machinery
- Calculations
- Synthesis thinking
- Associative thinking discrimination
  
- Strength and Tolerance
  - Lifting/carrying
  - Pushing/pulling/pressing
  - Physical stamina/endurance
  - Fatigue
  - Reaching
  - Sitting, standing, or stooping
  - Tolerance to frequent temperature changes
  - Tolerance to wet/humid conditions
  - Tolerance to dust/pollen/fumes
  - Tolerance to loud noises/vibrations
