This year (2017-18), new assessments of the Missouri Learning Standards (MLS) Expectations will be administered in English language arts and mathematics. In addition, DESE will administer stand-alone science field tests in biology, physical science, and science in grades 5 and 8. No operational assessments in science will be administered. Changes in the standards are reflected in the 2017-18 operational assessments and field tests. See the table below for a comparison of the 2017-18 and 2016-17 assessments.
